

## Neighbourhood Planning Master Class

### Housing policies: Delivering homes through Neighbourhood Planning

18 June 2014

---

#### **Exercise 1:**

##### What are your local housing issues?

- What is the housing profile of your area?
  - What do the Census stats tell you?
- Are there any local housing studies?
  - What do they tell you?
- What are the local community's housing aspirations?
- Are there particular housing issues in your area?
- **Overall, what are your area's housing requirements?**

#### **Exercise 2:**

##### What housing policies would be appropriate in your area?

- What does the evidence tell you?
- Are your policies in conformity with the Local Plan approach?
- What are the reasons for seeking an alternative approach?
